

# What's the beauty of CareCredit?

Working with a financing partner that  
you and your patients can trust.

## Dependable for patients

The CareCredit health and wellness credit card **can be used for all the treatments and procedures you offer** including weight loss products.\*

Approved **patients can use the card over and over again** at any of the 270,000 locations in the CareCredit Network.

CareCredit's prequalification process **does not impact the patient's credit score.**

## Transparent for providers

Merchant rates don't change **depending on the patient's credit score.**

We offer tools and resources like our Payment Calculator to **help you be transparent with patients about cost.**

You get paid directly in 2 business days with **no recourse if patients delay or default.\*\***

## Sound benefits for you both

With **over 35 years of experience**, we pride ourselves on our customer service and provider training.

We have **one of the highest net promoter scores** across all industries at 76.<sup>1</sup>

**Cardholders can get 6-60 month promotional financing on qualifying purchases** without having to reapply, depending on what you offer.

## Nurture patient relationships and help your practice bloom.
